Calling all actors, extras for movie casting call

San Antonio, Texas – Those Guys and That Girl Films (TGTGF) is looking for actors and extras for the upcoming independent film *7 Days* directed by Miguel Alvarez. The project will be filmed in San Juan, Texas, and the surrounding areas in the Rio Grande Valley.

The open casting call is from 10 a.m. to 5 p.m. on Saturday, November 10, 2007, at Pharr San Juan Alamo High School located at 805 Ridge Rd, San Juan, TX. All those interested should report to the high school auditorium for registration. Questions please call: 210-807-4264.

7 Days is a story about a young, Mexican, expectant father named Manuel who is forced to cross the Texas-Mexico border illegally in order to see his long-estranged father, who is set to be executed in a Texas prison in one week. Accompanied by his childhood best friend, he embarks on a journey in which he crosses paths with *luchador coyotes*, renegade cowboys, desert angels and a host of others along the beautiful, surreal, and unforgiving border region known as *El Valle*. It is Manuel's story – a man who must confront his past in order to move forward; a husband who must overcome his fear of responsibility; and ultimately, a son who must learn to become a father.
